The Manitowoc GOP is *entirely self-funded*. That's right — we receive no funds from the state or national parties. We receive no funds from third party affiliates. We rely on membership dues and donations to pay for headquarters, county fair booth, candidate assistance, website hosting plus other expenses. Dues are \$15 per person or \$25 per family. **All memberships renew in January of each year.**

Please print, complete and mail this form along with a check made payable to Republican Party of Manitowoc County to: Manitowoc GOP; P.O. Box 754; Manitowoc, WI 54221-0754.

\* Wisconsin law requires all political parties to list all contributors and their mailing addresses. Wisconsin law also mandates contributions greater than \$100 list the contributor's employer, job title, and employer address. This information is only required if making a contribution greater than \$100.

Under both Wisconsin and federal law, corporate contributions to candidates, political parties and political action committees (PACs) are strictly prohibited. In fact, making illegal corporate contributions can be a felony. While some states allow corporate contributions, Wisconsin does not. Instead, only individuals and registered political committees can contribute to the campaigns of Wisconsin and federal candidates and political parties. Political contributions are not tax deductible. For more information about campaign finance laws, check out the websites of the Government Accountability Board and Federal Election Commission at [www.gab.wi.gov](http://www.gab.wi.gov) and [www.fec.gov](http://www.fec.gov).
