Joe Leibham represents the 9th State Senate District with honesty and integrity. He cares deeply about his community and clearly wants to do what he can to make the world a better place for his children and constituency. Joe Leibham's solid mix of private and public sector experience make him a strong voice in the state Senate on issues that matter such as reducing taxes, creating jobs and fostering political cooperation instead of gridlock, which makes him the best choice for Congress.

Joe helped lead legislative efforts to provide jobs for veterans, skilled trades training, vocational rehabilitation, high school and college workforce readiness training, capital investment plus tax credits to improve Wisconsin's job climate. At the request of the city of Manitowoc, Joe worked to develop a state incentive program encouraging local businesses to work with local government to implement more efficient and effective processes.

Joe has demonstrated his willingness to listen to all points of view, recognizing the importance of collaboration rather than gridlock in government is best for those he represents. Joe Leibham is the best candidate to represent the 6th Congressional District's varied constituency. He was the first Republican in more than 50 years to represent the 26th Assembly District and the first Republican in more than 50 years to represent the 9th Senate District.

Joe has built a strong base of support in the district. In 2010, Joe won with 73 percent of the vote in a district he first won 12 years ago in a recount by only 46 votes. This is testament to his leadership and commitment to an area he's lived in his entire life. Joe did not move here solely to run for office. He is a lifelong resident. We need this plus Joe's integrity in Congress. Please vote Joe Leibham on Aug. 12.
