

Response to recent letter very disappointing

Wisconsin 6:26 p.m. CDT August 5, 2014

I have been receiving typical Democratic feedback after my recent Letter to the Editor.

One gentleman approached the Senior Center supervisor with the complaint that a member of the Senior Center should not be allowed to send letters to the editor. In other words, agree with me or shut up.

A letter I received from another person, of course hidden behind the cloak of anonymity for which these people are notorious, actually used notepaper with a picture of Jesus to spew their hatred.

Since the person was too gutless to identify himself, I have taken this means to say *shame on you!*
