GOP, Jeff Dewane, Treasurer

Victory in 2014 begins with YOU! As we head into the final stretch before Election Day, we need your help. Talk to your friends and neighbors about our Republican candidates and emphasize the importance of VOTING. Do you know someone who needs a ride to the polls? Offer a ride. Help us knock on doors this weekend. We need people to make phone calls. You can do these from home — **every vote will count this election so please, please help us get out the vote!**

Do you need a ride to the polls? If so, please contact Sulynn at 920-684-4125 or via email at sulynn25@comcast.net.

Finally, we need election observers. This election will be close and we're already seeing instances of voter fraud. If you are able to be an election observer, please contact Sam at 608.886.2991 or via email at shope@wisgop.info. Thank you and remember victory next Tuesday truly begins with you!

Manitowoc Public School District Referenda

The first question requests \$1million in RECURRING revenue limit capacity to maintain current programs and services.

The second question requests \$600,000 in RECURRING revenue capacity to address maintenance and security needs.

The third question requests \$400,000 in additional RECURRING revenue to upgrade classroom technology.

The school district says this will cost taxpayers with property valued at \$100,000 an additional \$1.48 a week. Of course, the school district reduces it to the smallest sum to look miniscule. That \$1.48 a week equals a \$77.00 annual increase and there is no way to know how much this will increase "in perpetuity." Superintendent Marcia Flaherty admitted at an informational meeting she did not foresee MPSD not needing the annual \$2M.

The terms "recurring" and "in perpetuity" mean a yes vote gives the school district \$2M spending authority EVERY YEAR FOR AN INFINITE PERIOD OF TIME. The school district claims the referenda are necessary due to a reduction in state aid. MPSD blames Governor Walker but so-called "pro education" President Obama reduced federal aid to the school district by a much larger percentage. Ironic, isn't it?

Perhaps the biggest insult to taxpayers is the fact it spent approximately \$70k of our tax dollars to hire consultants to lend a patina of legitimacy to what the school board wants to do.

One of its KEY FACTS states MPSD ranks in the bottom 20% of Wisconsin school districts in spending per student. Great!!!! Keep up the good work! It says it is doing a great job with our students yet complains because it doesn't have enough funding and staff -- further evidence MPSD has never had a definite plan to address its cash flow problem and that is has no idea how much money is needed for its alleged needs.

Call school board members, ask questions, do your homework, talk to friends, family and neighbors. We are finally pulling out of our tax mire. We need MPSD to roll up its sleeves and find ways to cut spending. VOTE NO on this brazen tax grab.

We need people to call WOMT/1240AM's Open Mic and tell others to vote NO on the school referendums. You may still call Monday November 3rd from 8:30-9:00a. The number is 920-682.4675.

Thank you, Sulynn Moore, Bob Ziegelbauer and Don Zimmer for your recent letters to the editor urging voters to say NO to the three MSPD school referenda. Victory in 2014 begins with you!

The most powerful impact on persuadable voters is having someone they know and trust vouch for a candidate. The Community Captains Program is a common-sense approach; it's campaigning as it was meant to be. It's grassroots organization and word of mouth to get voters to the polls. What can you do to help keep moving Wisconsin forward? How about:

- ⇒ Talk to family, friends and neighbors
- ⇒ Knock on doors
- ⇒ **Be an election observer**
