## **Manitowoc Public School District Referenda**

The first question asks for \$1million in RECURRING revenue limit capacity to maintain current programs and services.

The second question asks for \$600,000 in RECURRING revenue capacity to address maintenance and security needs.

The third question asks for \$400,000 in additional RECURRING revenue to upgrade classroom technology.

Voting “yes” means the taxpayers give the school budget an addition \$2 million dollars IN PERPETUITY. The school district says this will cost taxpayers with property valued at \$100,000 an additional \$1.48 a week. Of course, the school district reduces it to the smallest sum to look miniscule. That \$1.48 a week equals a \$77.00 increase for the year and there is no way to know how much this will increase "in perpetuity."

The terms “recurring” and “in perpetuity” mean a yes vote gives the school district \$2M spending authority EVERY YEAR FOR AN INFINITE PERIOD OF TIME. The school district claims the referenda are necessary due to a \$5 million reduction in state aid. The convenient omission is that \$5 million INCLUDES the money the state is no longer contributing to teachers' health insurance and pension plans

Unlike the county government, the Manitowoc Public School District (MPSD) has not taken advantage of Act 10. It has done little to hold down the cost of sick leaves or even the cost of insurance. It could ask teachers' spouses with insurance to claim the teacher on their insurance. Because our county government has held down costs, this makes it easier for the school district to ask for more and raise taxes.

Perhaps the biggest insult to taxpayers is the fact it spent precious tax dollars to hire consultants to lend a patina of legitimacy to what the school board wants to do.

One of its KEY FACTS states MPSD ranks in the bottom 20% of districts in the state in spending per student. Great!!!! Keep up the good work! It says it is doing a great job with our students yet complaining because it doesn't have enough funding and staff -- that seems very contradictory.

Please attend one of the information meetings:

Oct 6 6-7p Wilson Junior High School Auditorium

Oct 15 6-7p Washington Junior High School auditorium

Oct 22 6-7p Wilson Junior High auditorium

Call school board members, ask questions, do your homework, talk to friends, family and neighbors. We are finally pulling out of our tax mire. We need MPSD to roll up its sleeves and find ways to cut spending.

Super Saturday is October 11 and we need as many volunteers as possible. To help, please contact Sam at 608-886-2991 or via email at [shope@wisgop.info](mailto:shope@wisgop.info).

We also really, really need volunteers at headquarters. Hours are Mondays and Wednesdays from 2-6p and Saturdays from 9a-1p. If you are able to help, please contact Jack Nasep at [hnasep@sbcglobal.net](mailto:hnasep@sbcglobal.net) or 920-682.1466.

The most powerful impact on persuadable voters is having someone they know and trust vouch for a candidate. The Community Captains Program is a common-sense approach; it's campaigning as it was meant to be. It's grassroots organization and word of mouth to get voters to the polls. What can you do to help keep moving Wisconsin forward? How about:

- ⇒ Talk to family, friends and neighbors
- ⇒ Knock on doors
- ⇒ Write a letter to the editor
- ⇒ Volunteer at headquarters
- ⇒ Be an election observer

For more information about the Community Captains Program, go to [www.wisgop.org/community-captains/](http://www.wisgop.org/community-captains/)
