Governor Walker and Mary Burke will have their second debate October 17 at 7:00p. The debate is sponsored by the Wisconsin Broadcasters Association.

Thank you, Scott and Annette Conant, along with your amazing family, for your hard work knocking on doors and putting up signs this election cycle. We are very glad you were able to come to headquarters to see Senator Johnson, too! Thank you for making Super Saturday extra super!

Other debates: **Grothman/Harris** Oct 30 7p; Plymouth High School, Plymouth
LeMahieu/Laning Oct 23 7p
Capitol Civic Centre, Manitowoc

We'll have yard signs at the end of this week and need help distributing these. If you would like a yard sign, please stop by headquarters and pick one up. We're planning a lit drop, too. If you can help, please contact us. \$2M a year, every year, forever equals an approximate \$77 tax increase per \$1000,000 of assessed property value. The Manitowoc School Board wants taxpayers to grant unlimited authority and no accountability for significant tax dollars. We need your help to inform people of the consequences of voting yes on the referendums.

Manitowoc Public School District Referenda

The first question requests \$1 million in RECURRING revenue limit capacity to maintain current programs and services.

The second question requests \$600,000 in RECURRING revenue capacity to address maintenance and security needs.

The third question requests \$400,000 in additional RECURRING revenue to upgrade classroom technology.

Voting “yes” means the taxpayers give the school budget an addition \$2 million dollars FOREVER. The school district says this will cost taxpayers with property valued at \$100,000 an additional \$1.48 a week. Of course, the school district reduces it to the smallest sum to look miniscule. That \$1.48 a week equals a \$77.00 annual increase and there is no way to know how much this will increase "in perpetuity."

The terms “recurring” and “in perpetuity” mean a yes vote gives the school district \$2M spending authority EVERY YEAR FOR AN INFINITE PERIOD OF TIME. The school district claims the referenda are necessary due to a \$5 million reduction in state aid. The convenient omission is that \$5 million INCLUDES the money the state is no longer contributing to teachers' health insurance and pension plans—or that enrollment is not increasing.

Perhaps the biggest insult to taxpayers is the fact it spent precious tax dollars to hire consultants to lend a patina of legitimacy to what the school board wants to do.

One of its KEY FACTS states MPSD ranks in the bottom 20% of Wisconsin school districts in spending per student. Great!!!! Keep up the good work! It says it is doing a great job with our students yet complaining because it doesn't have enough funding and staff -- that seems very contradictory.

Please attend the last information meeting; Comcast has been airing the sessions on Channel 4: Oct 22 6-7p Wilson Junior High auditorium

Call school board members, ask questions, do your homework, talk to friends, family and neighbors. We are finally pulling out of our tax mire. We need MPSD to roll up its sleeves and find ways to cut spending.

The most powerful impact on persuadable voters is having someone they know and trust vouch for a candidate. The Community Captains Program is a common-sense approach; it's campaigning as it was meant to be. It's grassroots organization and word of mouth to get voters to the polls. What can you do to help keep moving Wisconsin forward? How about:

- ⇒ Talk to family, friends and neighbors
- ⇒ Knock on doors
- ⇒ Write a letter to the editor
- ⇒ Volunteer at headquarters
- ⇒ **Be an election observer**

For more information about the Community Captains Program, go to www.wisgop.org/community-captains/

WISCONSIN FACT CHECK:
FORWARD VS. BACKWARD

Don't be fooled by Mary Burke's rhetoric - she represents the failed policies of the past and would take Wisconsin backward. WE CAN'T AFFORD MARY BURKE.

GET THE FACTS:

 <p>MARY BURKE</p> <p>Supported policies that led to 133,000 jobs and 37,000 businesses lost</p>	 <p>SCOTT WALKER</p> <p>Over 100,000 new jobs and 25,000 new businesses created</p>
<p>Wisconsin 47th in new business formations</p>	<p>JOB GROWTH</p> <p>BUSINESSES</p>
<p>10% of employers thought WI was on the right track during the Doyle-Burke Administration</p>	<p>JOB CREATORS</p> <p>98% of employers say WI is now on the right track</p>

It doesn't start with

HEROIN.

It is time for the community to come together to learn and to RESPOND.

Come understand the opioid/heroin epidemic and associated mental health concerns and Manitowoc County's planned response.

All community members are encouraged to attend this FREE event to provide input and learn how you can help make a difference.

Awesome Manitowoc GOP member Jon Fessler has four 4x8 candidate signs on his fence. Do you have your yard sign? Pick your sign up at headquarters today. We also have six Brad Schimel 4x8 signs still in need of homes. We just received three 4x8 Glenn Grothman signs. Two of those signs definitely have homes and a third remains to be confirmed. Are you able to help? Please contact us. Victory in 2014 begins with you!

Thank you, Senator Johnson, for taking time from your busy schedule to visit Manitowoc GOP headquarters Oct 11. It was also great to see Brad Courtney, RPW Chairman.
