Sept 25-Oct 2, 2014

Red Trumpeter

Authorized and paid by Manitowoc
GOP, Jeff Dewane, Treasurer

Do you have a place for a large 4x8 Walker sign? We have approximately 10 large signs needing locations. Please consider making a donation for the cost of the sign and stakes. The stakes cost about \$15 so anything you are able to contribute would be a big help. If you don't yet have a yard sign, pick one up at headquarters. Please stop at headquarters for a sign and remember victory in 2014 begins with you!

We really, really need volunteers at headquarters. Hours are Mondays and Wednesdays from 2-6p and Saturdays from 9a-1p. If you are able to help, please contact Jack Nasep at hnasep@sbcglobal.net or 920-682.1466. Thank you!

Please give RPW field director Sam Hope a call at 608.886.2991 if you are able to help. We'll take whatever you can share — an hour, two or more. WE NEED YOUR HELP!

MESSAGE FROM THE CHAIRMAN

37 days. That's right. There are only 37 days until Election Day. What are you doing to help re-elect Governor Walker? What are you doing to help our Republican candidates? Right now we have 7 volunteers knocking on doors and 18 members have written letters to the editor supporting Governor and other Republican candidates. Thank you. We have a full-time field director in Manitowoc. If you haven't yet met Sam, please stop at headquarters and introduce yourself. The last Marquette Law School poll showed the gubernatorial race in a continued statistical tie. Our grassroots efforts are imperative to helping us win. Governor Walker knows that. He knocked on the millionth door and while campaigning all over the state, he stops at field offices and county party headquarters to thank volunteers at every opportunity. It is that important. If you can't knock on doors, write a letter to the editor. Help deliver yard signs. Make phone calls. Donate money to a candidate. We need your help. The Manitowoc GOP works very hard to communicate our Republican message. We have a regularly updated website. Our social media is updated daily. Our newsletter is sent weekly. We need our members' involvement to make it all work. 37 days will come very quickly. Wouldn't you rather be celebrating at Tony's Pizza on Election Night with fellow Manitowoc GOP members rather than contemplating a Mary Burke victory? Please think about that. Victory in 2014 begins with you.

Keep fighting the good fight-

Collin Braunel
Manitowoc GOP
Chairman

UW-Badgers lineman Ray Ball with Representatives Paul Tittl, Andre Jacque and Joel Kleefisch

GETTING TO KNOW OUR MEMBERS

The most powerful impact on persuadable voters is having someone they know and trust vouch for a candidate. The Community Captains Program is a common-sense approach; it's campaigning as it was meant to be. It's grassroots organization and word of mouth to get voters to the polls. What can you do to help keep moving Wisconsin forward? How about:

- ⇒ Talk to family, friends and neighbors
- ⇒ Knock on doors
- ⇒ Write a letter to the editor
- ⇒ Volunteer at headquarters
- ⇒ Be an election observer

For more information about the Community Captains Program, go to www.wisgop.org/community-captains/

Help us get absentee voter applications to people who don't vote often or at all. If each member got 3 people who don't vote often to complete absentee ballots, it triples our vote. If you know the person's *entire* birth date, you can find if the person is a frequent voter by checking www.vpa.wi.gov. If not, you can go to www.ritewi.org, sign up and obtain a fillable PDF for an absentee ballot request. All you do is complete the form and take it to the person to sign. You could even address and stamp the envelope for the respective clerk's office to make it easier for the person. If you don't wish to sign in to ritewi.org, absentee ballot requests with instructions are available at Manitowoc GOP headquarters, 1112 Washington Street during regular hours: Monday and Wednesday 2-6, Saturday 9-1.

Please check your relatives' and friends' voting status. This applies to all elections. We should be encouraging conservatives to vote and providing the tools to do so, particularly if they don't want to go to the polls.

The **application** must be received by the clerk no later than 5:00 pm on the Thursday before the election in order for an absentee ballot to be mailed.

The **completed ballot** must either be delivered to the clerk no later than Election Day or postmarked no later than Election Day. It must be received by the municipal clerk no later than 4 p.m. on the Friday after the election.

I would be glad to answer any questions - I hope you are finding voters for the upcoming elections.

Recently, the governor released his jobs plan, "Continuing Wisconsin's Comeback." The plan demonstrates how the Governor will remain dedicated to continuing his administration's successes of the last four years. Putting Wisconsin back to work is the governor's priority.

- 96% of employers believe Wisconsin is on the right track
- Over 100,000 jobs and over 25,000 new businesses have been created
- Unemployment has seen its lowest point since October 2008
- During Walker's first three years in office, Wisconsin ranked 22nd in job creation

What Structural Deficit?

The non-partisan Legislative Fiscal Bureau predicted the state could be as much as \$1.8 billion short by mid-2017, the end of the next budget cycle. That figure assumed no revenue growth between now and then and no changes in state spending. Republican Representative John Nygren asked the fiscal bureau to review its numbers with some adjustments. The new calculation assumes the state's revenues from tax collections would grow at the same rate it has over the past five fiscal years, which is 2.9 percent. It also assumes the state's spending in the next budget would be the same as this year. That new estimate shows the state would have a surplus of \$535 million by mid-2017. Thanks to Governor Walker and his team, Wisconsin is back on track, including funding 100% of its pension obligations. What structural deficit?!
